VALORIZATION OF TUITION

1. In every subsequent year of studies tuition fee and other fees is increased (in case of inflation) or decreased (in case of deflation) by number equal to commodity price and consumer services index for calendar year preceding year of tuition valorization, published by President of Main Statistic Office. First year for valorized fee to apply is the academic year following the first year of contract validity.
2. Valorization is announced at the beginning of every semester, every calendar year.
3. In case of valorization in following years, the subject to valorization are tuition fee and other fees valid in the previous academic year, that is the tuition fee and other fees valorized on the previous year.
4. New, valorized fees, including the tuition fee, are valid in the new academic year, following the semester in which the new values of fees were announced, meaning the subject to valorization are all fees which due date is on 5th of September or later and those that apply to fees connected with the new academic year.
5. In connection to value change of the tuition fee and other fees, referred in the 1st paragraph, Student has a right to withdraw from the Contract, in 14 days following the day of valorization announcement, as indicated in the School-Student Contract. For withdrawal to be valid a written form of withdrawal decision is required.
6. The value change of the tuition fee and other fees, referred in the 1st paragraph, does not require paper form. Information about value of the tuition fee and other fees after valorization is published by School in the PJATK electronic student service system by June 30.
7. Withdrawal from the Contract occurs with the legal effect from the date of submission of the declaration of withdrawal.
